We are pleased to have Steve Thomas, an attorney with Hayworth, Chaney & Thomas, PA join us for February's Space Coast Townhall for Technologists. Mr. Thomas will discuss ways of ensuring that your IP plan is developed both properly and efficiently. We hope that you will be able to join us for this timely discussion.

The Space Coast Townhall for Technologists is a network of support for Space Coast area small businesses that are focused on engineering and technology solutions. The goal of the network is to guide and support building relationships within our network as well as with Prime Contractors and Government Officials. Space Coast Townhall for Technologists is proudly sponsored by the National Center for Small Business Information at Florida Institute of Technology.

The theme of our activities will focus on the issues affecting engineering and technology small businesses such as Intellectual Property Rights, International Traffic in Arms Regulations (ITAR), Marketing Technology, and Business Opportunities as well as other pertinent topics.
