Science Tower
Melbourne, FL 32901

We are pleased to have Joellen Moore, United Space Alliance's Small Business Liaison Officer join us for June's Space Coast Townhall for Technologists meeting. Ms. Moore will discuss USA's Brevard operations and how small businesses can work with United Space Alliance.

The Space Coast Townhall for Technologists is a network of support for Space Coast area small businesses that are focused on engineering and technology solutions. The goal of the network is to guide and support building relationships within our network as well as with Prime Contractors and Government Officials. Space Coast Townhall for Technologists is proudly sponsored by the National Center for Small Business Information at Florida Institute of Technology.

The theme of our activities will focus on the issues affecting engineering and technology small businesses such as Intellectual Property Rights, International Traffic in Arms Regulations (ITAR), Marketing Technology, and Business Opportunities as well as other pertinent topics.
