The Space Coast Townhall for Technologists is a network of support for Space Coast area small businesses that are focused on engineering and technology solutions. The goal of the network is to guide and support building relationships within our network as well as with Prime Contractors and Government Officials. Space Coast Townhall for Technologists is proudly sponsored by the National Center for Small Business Information at Florida Institute of Technology.

Through townhall meetings and special topic forums, self-promotion and networking opportunities and educational opportunities are made available to our members. The theme of our activities will focus on the issues affecting engineering and technology small businesses such as Intellectual Property Rights, International Traffic in Arms Regulations (ITAR), Marketing Technology, and Business Opportunities as well as other pertinent topics. By joining the Space Coast Townhall for Technologists you will gain the benefits of being a part of an environment that will allow you and your organization to develop the knowledge and relationships to be a successful in a highly dynamic arena.
